	133 Herman Miller Ethospace Series Modular Furniture and 240 +/- Spare	ALL FOR ONE BID - Like-new 133 Herman Miller Ethospace System Series Modular Office Furniture with overhead bins and half height shelves and approximately 240 spare panels	
	Panels	(some still new in the box). This lot is ideal for any company wanting to acquire a high quality office cubicle system or a regional or national used office furniture dealer. Rarely	
		does this highly quality, late model furniture become available at an absolute auction. This furniture appears to be in like-new condition. Many of the drawers have their keys.	
		The buyer of this lot is required to professionally remove all of the cubicles from the facility by Thursday, December 18, 2014 by 4:00 pm EST. No exceptions will be given. The	
		buyer must also have all electrical lines capped, provide a certificate of insurance naming the seller and the landlord as additional insured's and exercise care during the removal of	
		the cubicle systems. We will work with the buyer to insure that they are given adequate access to facilitate a professional and timely removal. Also included is a wall key box with	
		what appears to be a collection of back-up keys for drawers and overhead bins for the	
		Herman Miller cubicle system.
